

# JOIN US 4/15

On Tuesday, April 15 from 7:15-8:30 we will be joined by Jennifer from Clancy and Associates as part of our monthly parent resource meetings. Jennifer is an attorney who works with families to eliminate stress and confusion when it comes to planning a child's future. Her and her team guide families through complex disability systems, forming sustainable plans for life, and building community resources. Light refreshments will be provided!
